Instructions:
Place the labels of the metadata elements in the correct categories within REMBI (https://www.ebi.ac.uk/bioimage-archive/rembi-help-overview/)

1. 1: Analysis software
2. 2: Drug treatment
3. 3: Organism name according to NCBI
4. 4: Multiple imaging methods
5. 5: Microscope manufacturer
6. 6: sample preparation protocol
7. 7: Pixel size
8. 8: Funding statement with GrantID
9. 9: Spatial alignment procedure
10. 10: Emission wavelength
